Welcome to the 15th Annual WitchsFest USA

We wish to thank you all for joining us this weekend and for being the amazing human beings that you all are. As a people in general we are proud that we live in a city and country like NYC & USA that allows us the right to put on and be part of events like this. Thanks to our Presenters, Performers, Psychics, Information Groups and Vendors.

The purpose of WitchsFest USA is first and foremost to raise funds to purchase property to house the NYC Wiccan Family Temple. Thereby, aiding us in providing a permanent space for service for our many types of rituals/worship like any other church, temple or spiritual based religion allowable in this country. Open to pagans of all traditions and spirituality at large, where we can meet, learn, share and celebrate.

Our sincerest wish for us all:

- To foster a more united pagan community within all of our many cities around the United States.
- To create a more stabilized base for the NYC Wiccan Family Temple, our Guests, Celebrants and Members.

Since its inception in 2012, I am so proud to say that each year we are seeing more and more of the many pagan groups learning to accept and treat each other with great respect and standing in solidarity in support of one another.
